ARTICLE 1

MEMBERSHIP

Section 1.01. **Eligibility.** Any natural person, firm, association, corporation, cooperative, business trust, partnership, federal, state or local government, or departments, agencies or any other political subdivision thereof (each hereinafter referred to as "person," "applicant," "him" or "his") shall be eligible to become a member of, and, at one or more premises owned or directly occupied or used by him, to receive electric service from Chickasaw Electric Cooperative (hereinafter called the "Cooperative"). No person shall hold more than one membership in the Cooperative.

SECTION 1.02. **Application for Membership; Renewal of Prior Application.** Application for membership - wherein the applicant shall agree to purchase electric power and energy from the Cooperative and to be bound by and to comply with all of the other provisions of the Cooperative's Articles of Incorporation and Bylaws, and all rules, regulations, rate classifications and rate schedules established pursuant thereto, as all the same then exist or may thereafter be adopted or amended (the obligations embraced by such agreement being hereinafter called "membership obligations") - shall be made in writing on such form as is provided therefore by the Cooperative. With respect to any particular classification of service for which the Board of Directors shall require it, such application shall be accompanied by a supplemental contract, executed by the applicant on such form as is provided therefore by the Cooperative. The membership application shall be accompanied by the membership fee provided for in Section 1.03 (together with any service security deposit, service connection deposit or fee, facilities extension deposit, or contribution in aid of construction that may be required by the Cooperative), which fee (and such service security deposit, service connection deposit or fee, facilities extension deposit, or contribution in aid of construction, if any) shall be refunded in the event the application is not approved. Any former member of the Cooperative may, by the sole act of paying a new membership fee and any outstanding account plus accrued interest thereon at the Tennessee legal rate on judgments in effect when such account first became overdue, compounded annually (together with any service security deposit, service connection deposit or fee, facilities extension deposit, or contribution in aid of construction that may be required by the Cooperative), renew and reactivate any prior application for membership to the same effect as though the application had been newly made on the date of such payment.

SECTION 1.03. Membership Fee; Service Security and Facilities Extension Deposits; Contribution in Aid of Construction. The membership fee shall be as fixed from time to time by the Board of Directors. The membership fee (together with any service security deposit, or service connection deposit or fee, facilities extension deposit, or contribution in aid of construction, or any combination thereof, if required by the Cooperative) shall entitle the member to one service connection. A service connection deposit or fee, in such amount as shall be prescribed by the Cooperative (together with a service security deposit, a facilities extension deposit or a contribution in aid of construction, if required by the Cooperative), shall be paid by the member for each additional service connection requested by him.

SECTION 1.04. Joint Membership. A husband and wife may be accepted into joint membership or, if one of them is already a member, may automatically convert such membership into a joint membership. The words "member," "applicant," "person," "his" and "him," as used in these Bylaws, shall include a husband and wife applying for or holding a joint membership, unless otherwise clearly distinguished in the text; and all provisions relating to the rights, powers, terms, conditions, obligations, responsibilities and liabilities of membership shall apply equally, severally and jointly to them. Without limiting the generality of the foregoing -

- (a) the presence at a meeting of either or both shall constitute the presence of one member and a joint waiver of notice of the meeting;
- (b) the vote of either or both shall constitute, respectively, one joint vote; PROVIDED, if both be present but in disagreement on such vote, each shall cast only half (1/2) vote;
- (c) notice to, or waiver of notice signed by, either or both shall constitute, respectively, a joint notice or waiver of notice;
- (d) suspension or termination in any manner of either shall constitute suspension or termination of the joint membership;
- (e) either, but not both concurrently, shall be eligible to serve as a Director of the Cooperative, but only if both meet the qualifications required therefore; and
- (f) neither will be permitted to have any additional service connections except through their one joint membership unless such already existed as an individual membership prior to creation of the joint membership.

SECTION 1.05. Acceptance into Membership. Upon complying with the requirements set forth in Section 1.02, any applicant shall automatically become a member on the date of his connection for electric service; PROVIDED, the Board of Directors may by resolution deny an application and refuse to extend services upon its determination that the applicant is not willing or is not able to

satisfy and abide by the Cooperative's terms and conditions of membership or that such application should be denied for other good cause.

SECTION 1.06. Purchase of Electric Power and Energy; Power Production by Member; Application of Payments to All Accounts. The Cooperative shall use reasonable diligence to furnish its members with adequate and dependable electric service, although it cannot and therefore does not guarantee a continuous and uninterrupted supply thereof; and each member, for so long as such premises are owned or directly occupied by him, shall purchase from the Cooperative all central station electric power and energy purchased for use on all premises to which electric service has been furnished by the Cooperative pursuant to his membership, unless and except to the extent that the Board of Directors may in writing waive such requirement, and shall pay therefore at the times, and in accordance with the rules, regulations, rate classifications, and rate schedules (including any monthly minimum amount that may be charged without regard to the amount of electric power and energy actually used) established by the Board of Directors and, if in effect, in accordance with the provisions of any supplemental contract that may have been entered into as provided for in Section 1.02. Production or use of electric energy on such premises, regardless of the source thereof, by means of facilities which shall be interconnected with Cooperative facilities, shall be subject to appropriate regulations as shall be fixed from time to time by the Cooperative. Each member shall also pay all other amounts owed by him to the Cooperative as and when they become due and payable. When the member has more than one service connection from the Cooperative, any payment by him for service from the Cooperative shall be deemed to be allocated and credited on a pro rata basis to his outstanding accounts for all such service connections, notwithstanding that the Cooperative's actual accounting procedures do not reflect such allocation and proration.

SECTION 1.07. Excess Payments to be Credited as Member-Furnished Capital. All amounts paid for electric service in excess of the cost thereof shall be treated as member-furnished capital as provided in Article IX of these Bylaws.

SECTION 1.08 Wiring of Premises; Responsibility Therefore, Responsibility for Meter Tampering or Bypassing and for Damage to Cooperative Properties; Extent of Cooperative Responsibility; Indemnification. Each member shall cause all premises receiving electric service pursuant to his membership to become and to remain wired in accordance with the specifications of the National Electric Code, any applicable state code or local government ordinances, and of the Cooperative. If the foregoing specifications are variant, the more

exacting standards shall prevail. Each member shall be responsible for - and shall indemnify the Cooperative and its employees, agents and independent contractors against death, injury, loss or damage resulting from any defect in or improper use or maintenance of - such premises and all wiring and apparatuses connected thereto or used thereon. Each member shall make available to the Cooperative a suitable site, as determined by the Cooperative, whereon to place the Cooperative's physical facilities for the furnishing and metering of electric service and shall permit the Cooperative's authorized employees, agents and independent contractors to have safe access thereto for meter reading and bill collecting and for inspection, maintenance, replacement, relocation, repair or disconnection of such facilities at all reasonable times. As part of the consideration for such service, each member shall be the Cooperative's bailee of such facilities and shall accordingly desist from interfering with, impairing the operation of or causing damage to such facilities, and shall use his best efforts to prevent others from so doing. Each member shall also provide such protective devices to his premises, apparatuses or meter base as the Cooperative shall from time to time require in order to protect the Cooperative's physical facilities and their operation and to prevent any interference with or damage to such facilities. In the event such facilities are interfered with, impaired in their operation or damaged by the member, or by any other person when the member's reasonable care and surveillance should have prevented such, the member shall indemnify the Cooperative and its employees, agents and independent contractors against death, injury, loss or damage resulting therefrom, including but not limited to the Cooperative's cost of repairing, replacing, or relocating any such facilities and its loss, if any, of revenues resulting from the failure or defective functioning of its metering equipment. The Cooperative shall, however, in accordance with its applicable service rules and regulations, indemnify the member for any over charges for service that may result from a malfunctioning of its metering equipment or any error occurring in the Cooperative's billing procedures. In no event shall the responsibility of the Cooperative extend beyond the point of delivery.

SECTION 1.09. Member to Grant Easements to Cooperative and to Participate in Required Cooperative Load Management Programs. Each member agrees as a condition of electric service that the Cooperative has the right, without payment to the member, to construct, operate, maintain and relocate all facilities for the furnishing of electric service and for any other service permitted by law over, on and under all lands owned, leased and otherwise occupied by such member, to the extent of the member's property interest in such land and as permitted by law.

Each member, shall, upon being requested to do so by the Cooperative, (i) execute and deliver to the Cooperative grants of easement or right-of-way over, on and under any lands owned by the member, and (ii) use all reasonable efforts to cause the execution and delivery to the Cooperative, by all parties with an interest in any lands owned, leased or otherwise occupied by the member, grants of easement or right-of-way over, on and under any such lands, Such easements and rights of way shall include, at the Cooperative's discretion, all reasonable terms and conditions for the furnishing of electric service and for the use of the Cooperative's facilities for any other service permitted by law, including the construction, operation, maintenance or relocation of the Cooperative's facilities.

SECTION 1.10. **Member Dispute Resolution Procedure.** Members of the Cooperative agree that they will submit any controversy, dispute, or claim they might have with the Cooperative to binding arbitration pursuant to this Section. Claims, disputes or controversies mean any claim, dispute or controversy whatsoever that the member has with the Cooperative, including, but not be limited to: (a) those related to these bylaws, or any alleged breach thereof; (b) those related to membership in the Cooperative or arising out of membership with the Cooperative itself; (c) those related in any way to accounts receivable or accounts payable; (d) those related to easements, and use, personal injury, or damage to personal or real property (excluding condemnations and/or eminent domain); and (e) those arising out of or related to patronage capital, equity or any other financial dispute with the Cooperative.

ARTICLE II

MEMBERSHIP SUSPENSION AND TERMINATION

SECTION 2.01. **Suspension; Reinstatement.** Upon his failure, after the expiration of the initial time limit prescribed either in a specific notice to him or in the Cooperative's generally publicized applicable rules and regulations, to pay any amounts due the Cooperative or to cease any other non-compliance with his membership obligations, a person's membership shall automatically be suspended; and he shall not during such suspension be entitled to receive electric service from the Cooperative or to cast a vote at any meeting of the members. Payment of all amounts due the Cooperative, including any additional charges required for such reinstatement, and/or cessation of any other noncompliance with his membership obligations within the final time limit provided in such notice or rules and regulations shall automatically reinstate the membership, in which event the member shall

thereafter be entitled to receive electric service from the Cooperative and to vote at the meetings of its members.

SECTION 2.02. Termination by Expulsion; Renewed Membership. Upon failure of a suspended member to be automatically reinstated to membership, as provided in Section 2.01, he may, without further notice, but only after due hearing if such is requested by him, be expelled by resolution of the Board of Directors at any subsequently held regular or special meeting of the Board. After expulsion of a member, he may not again become a member except upon new application therefore duly approved as provided in Section 1.05; but the Board of Directors, acting upon principles of general application in such cases, may establish such additional terms and conditions for renewed membership as it determines to be reasonably necessary to assure the applicant's compliance with all his membership obligations.

SECTION 2.03. Termination by Withdrawal or Resignation. A member may withdraw from membership upon such generally applicable conditions as the Board of Directors shall prescribe and upon either (a) ceasing to (or, with the approval of the Board of Directors resigning his membership in favor of a new applicant who also shall) own or directly occupy or use all premises being furnished electric service pursuant to his membership, or (b) except when the Board of Directors specifically waives such condition, abandoning totally and permanently the use of central station electric service on such premises.

SECTION 2.04. Termination by Death or Cessation of Existence; Continuation of Membership in Remaining or New Partners. The death of a natural person member shall automatically terminate his membership. The cessation of the legal existence of any other type of member shall automatically terminate such membership; PROVIDED, upon the dissolution for any reason of a partnership, or upon the death, withdrawal or addition of any individual partner, such membership shall continue to be held by such remaining and/or new partner or partners as continue to own or directly to occupy or use the premises being furnished electric service pursuant to such membership in the same manner and to the same effect as though such membership had never been held by different partners; PROVIDED FURTHER, neither a withdrawing partner nor his estate shall be released from any debts then due the Cooperative.

SECTION 2.05. Effect of Termination. Upon the termination in any manner of a person's membership, he or his estate, as the case may be, shall be entitled to refund of his membership fee (and to his service security deposit, if any, therefore paid the cooperative), less any amounts due the Cooperative; but neither he nor his estate, as the case may be, shall be released from any debts or other obligations then remaining due the Cooperative. Notwithstanding the suspension or

expulsion of a member, as provided for in Sections 2.01 and 2.02, such suspension or expulsion shall not, unless the Board of Directors shall expressly so elect, constitute such release of such person from his membership obligations as to entitle him to purchase from any other person any central station electric power and energy for use at the premises to which such service has theretofore been furnished by the Cooperative pursuant to such membership.

SECTION 2.06. Effect of Death, Legal Separation or Divorce upon a Joint Membership. Upon the death of either spouse of a joint membership, such membership shall continue to be held solely by the survivor, in the same manner and to the same effect as though such membership had never been joint; PROVIDED, the estate of the deceased spouse shall not be released from any debts due the Cooperative. Upon the legal separation or divorce of the holders of a joint membership, such membership shall continue to be held solely by the one who continues directly to occupy or use the premises covered by such membership in the same manner and to the same effect as though such membership had never been joint; PROVIDED, the other spouse shall not be released from any debts due the Cooperative.

SECTION 2.07. Board Acknowledgment of Membership Termination; Acceptance of Members Retroactively. Upon the termination of a person's membership for any reason, the Board of Directors, so soon as practicable after such termination is made known to it, shall by appropriate resolution formally acknowledge such termination, effective as of the date on which the Cooperative ceased furnishing electric service to such person. Upon discovery that the Cooperative has been furnishing electric service to any person other than a member, it shall cease furnishing such service unless such person applies for, and the Board of Directors approves, membership retroactively to the date on which such person first began receiving such service, in which event the Cooperative, to the extent practicable, shall correct its membership and all related records accordingly.

ARTICLE III

MEETINGS OF MEMBERS

SECTION 3.01. Annual Meeting. For the purposes of announcing director election results, hearing and passing upon reports covering the previous fiscal year, and transacting such other business as may properly come before the meeting, the annual meeting of the members shall be held on a day and time as determined by the Board of Directors. The meeting shall be held within 120 days after the close of the previous fiscal year, at such place and beginning at such hour, as the

Board of Directors shall from year to year fix; PROVIDED, for cause sufficient to it, the Board of Directors may fix a different day for such annual meeting not more than thirty (30) days prior or subsequent to the day otherwise established for such meeting in this Section. It shall be the responsibility of the Board of Directors to make adequate plans and preparations for, and to encourage member attendance at, the annual meeting. Failure to hold the annual meeting at the designated time and place shall not work a forfeiture or dissolution of the Cooperative.

SECTION 3.02. **Special Meetings.** A special meeting of the members may be called by the Board of Directors, by that number of directors that is one (1) less than a majority of the directors in office, or by petition signed by no fewer than ten (10%) percent of the members, and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided in Section 3.03. Such a meeting shall be held at such place, on such date, not sooner than forty (40) days after the call for such meeting is made or a petition therefore is filed, and beginning at such hour as shall be designated by those calling the same.

SECTION 3.03. **Notice of Member Meetings.** Written or printed notice of the place, date and hour of the meeting and, in the case of a special meeting or of an annual meeting at which business requiring special notice is to be transacted, the purpose or purposes of the meeting shall be delivered to each member, by mail, by the Secretary (and, in the case of a special meeting, at the direction of those calling the meeting). Any such notice may be included with member service billings or as an integral part of the Cooperative's newsletter or magazine. No matter the carrying of which, as provided by law, requires the affirmative votes of at least a majority of all the Cooperative's members shall be acted upon at any meeting of the members unless notice of such matter shall have been contained in the notice of the meeting. Such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at his address at it appears on the records of the Cooperative, postmarked not later than the minimally required days prior to the meeting date that notice must be given, as follows:

- (1) except as otherwise provided in these Bylaws, not less than ninety (90) days prior to the date of a meeting of the members at which the Cooperative's dissolution or the sale or lease-sale of all or any substantial portion of its assets and properties devoted to and used or useful in furnishing electric service is scheduled to be considered and acted upon; or
- (2) except as otherwise provided in these Bylaws, not less than forty-five (45) days prior to the date of a meeting of the members of the

- Cooperative at which a merger or consolidation with one or more other cooperatives is scheduled to be considered and acted upon; or
- (3) if subdivision (1) or (2) foregoing is not applicable, not less than five (5) nor more than forty (40) days prior to the date of the meeting.

The incidental and non-intended failure of any member to receive such notice shall not invalidate any action which may be taken by the members at any such meeting, and the attendance in person of a member at any meeting of the members shall constitute a waiver of notice of such meeting unless such attendance shall be for the express purpose of objecting to the transaction of any business, or one or more items of business, on the grounds that the meeting shall not have been lawfully called or convened. Any member attending any meeting for the purpose of making such objection shall notify the Secretary prior to or at the beginning of the meeting of his objection.

SECTION 3.04. Quorum. A quorum for the transaction of business at meetings of members shall, except as provided in the next following sentence, be the lesser of two (2%) percent of all members or one hundred (100) members; and, once such a quorum is established, the meeting may proceed to transact all business that may lawfully come before it so long as at least the lesser of one (1%) percent of all members or fifty-one (51) members remain present. In the case of a meeting of the members at which the dissolution of the Cooperative or the sale or lease-sale of all or any substantial portion of its assets and property devoted to and used or useful in furnishing electric service is scheduled to be considered and acted upon pursuant, the quorum requirement shall be and shall remain through the meeting ten (10%) percent of all members. If, at any member meeting, less than the required quorum is present to enable the meeting to begin transacting business, or if the quorum requirement for it to continue ceases to exist, a majority of those present may adjourn the meeting from time to time without further notice; PROVIDED, if a majority of those present in person so resolve, the Secretary shall notify any absent members of the time, day and place of such adjourned meeting by delivering notice thereof as provided in Section 3.03. At all meetings of the members, whether a quorum be present or not, the Secretary shall annex to the meeting minutes, or incorporate therein by reference, a list of those members who were registered as present in person.

SECTION 3.05. Voting. Each member who is not in a status of suspension, as provided for in Section 2.01, shall be entitled to only one vote upon each matter submitted to a vote at any meeting of the members. Voting by members other than members who are natural persons shall be allowed upon the presentation to the Cooperative, prior to or upon registration at each member meeting, of satisfactory evidence entitling the person presenting the same to vote. At all meetings of

the members, all questions shall be decided by a majority of the members voting thereon, except as otherwise provided by law or by the Cooperative's Articles of Incorporation or these Bylaws. Members may not cumulate their votes or vote by proxy or mail.

SECTION 3.06. Order of Business. The order of business at the annual meeting of the members and, insofar as practicable or desirable, at all other meetings of the members shall be essentially as follows:

- (1) Report on the number of members present in person in order to determine the existence of a quorum;
- (2) Reading of the notice of the meeting and proof of the due giving thereof, or of the waiver or waivers of notice of the meeting, as the case may be;
- (3) Reading of unapproved minutes of previous meetings of the members and the taking of necessary action thereon;
- (4) Presentation and consideration of reports of officers, directors and committees;
- (5) Report results of Director election;
- (6) Unfinished business;
- (7) New business; and
- (8) Adjournment.

Notwithstanding the foregoing, the Board of Directors or the members themselves may from time to time establish a different order of business for the purpose of assuring the earlier consideration of and action upon any item of business the transaction of which is necessary or desirable in advance of any other item of business; PROVIDED, no business other than adjournment of the meeting to another time and place may be transacted until and unless the existence of a quorum is first established.

ARTICLE IV

DIRECTORS

SECTION 4.01. Number and General Powers. The business and affairs of the Cooperative shall be managed under the direction of a board of ten (10) directors. The Board shall exercise all of the powers of the Cooperative except such as are by law or by the Cooperative's Articles of Incorporation or Bylaws conferred upon or reserved to the members.

SECTION 4.02. Qualifications. No person shall be eligible to become or remain a director of the Cooperative who is a close relative of an incumbent director or of an employee of the Cooperative or who has not been a member of the Cooperative for a period of at least three (3) years and receiving service therefrom at his primary residential abode, PROVIDED, the operating or chief executive of any member which is not a natural person, such as a corporation, church, etc., or his designee, shall, notwithstanding that he does not receive service from the Cooperative at his primary residential abode, be eligible to become a director, from the Directorate

District in which such member is located, if he or such designee (1) is in substantial permanent occupancy, direction or use of the premises served by the Cooperative, and (2) is a permanent and year-round resident within or in close proximity to an area served by the Cooperative; BUT PROVIDED FURTHER, no more than one (1) such person may serve on the Board of Directors at the same time. No person shall be eligible to become or remain a director of, or to hold any other position of trust in, the Cooperative who does not have legal capacity to enter into legally binding contracts or is in any way employed by or substantially financially interested in a competing enterprise, or a business selling electric energy or supplies to the Cooperative, a business substantially engaged in selling electrical or plumbing appliances, fixtures or supplies primarily to the members of the Cooperative. No former employee of the Cooperative shall be eligible to become or remain a director of the Cooperative unless and until at least three (3) years have passed from the date the individual's employment with the Cooperative terminated. Further, no person shall be eligible to become or remain a director of the Cooperative who is or has been convicted of a felony, and the Cooperative is authorized to conduct criminal background investigations. Notwithstanding any of the foregoing provisions of this section treating with close relative relationships, no incumbent director shall lose eligibility to remain a director or to be re-elected as a director if, during his incumbency as a director, he becomes a close relative of another incumbent director or of a Cooperative employee because of a marriage to which he was not a party.

Upon establishment of the fact that a nominee for director lacks eligibility under this Section or as may be provided elsewhere in these Bylaws, it shall be the duty of the chairman presiding at the meeting at which such nominee would otherwise be voted upon to disqualify such nominee. Upon the establishment of the fact that any person being considered for, or already holding, a directorship or other position of trust in the Cooperative lacks eligibility under this Section, it shall be the duty of the Board of Directors to withhold such position from such person, or to cause him to be removed therefrom, as the case may be. Nothing contained in this Section shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors, unless such action is taken with respect to a matter which is affected by the provisions of this Section and in which one or more of the directors have an interest adverse to that of the Cooperative.

In order for a member to become a qualified candidate for election as director, he shall file with the Secretary of the cooperative or with his duly appointed representative a written petition nominating such person as a candidate and signed by him and not less than twenty-five (25) other members in good standing whose premises served by the cooperative are located in the directorate district of the candidate. An incumbent Board member seeking re-election shall be exempt from this requirement however, he/she must show proof of residence in the District served. Such other information as the Board, by the policy of general application, deems necessary or appropriate to determine the eligibility of the candidate shall be filed with the petition. The petition and other information shall be made available at the office of the cooperative and shall be filed with the Secretary or his designee not less than ninety (90) days prior to the annual meeting of members.

Any candidate for director shall be allowed to withdraw as a candidate provided they notify the Credentials Committee in writing forty-five (45) days prior to the election and the Credentials Committee determines that said written withdrawal is authentic.

The Secretary of the cooperative or his designee, not less than one hundred twenty (120) days prior to the annual meeting of members, shall give written notice of impending vacancies on the board of directors due to expiring terms of incumbent directors and the districts from which directors will

be elected at district directorate elections to fill the impending vacancies. Such notice shall be given by mail with postage there-on prepaid to all members at the billing address reflected on the cooperative's records, by publication in newspapers of general circulation in the cooperative area, by publication in the Tennessee Magazine or by notice included with bill. Such notice shall include the places where qualifying petitions and other information as determined by the board may be obtained for the purpose of qualifying as a candidate for a director.

SECTION 4.04. Credentials Committee. The President of the Board shall appoint three (3) members of the Board not representing the districts scheduled for election to serve as a Credentials Committee to pass upon the eligibility of a member to become a candidate and to hear any protest or objection to a director election. This Committee shall be appointed not less than ninety (90) days prior to the annual meeting of members. The Credentials Committee shall meet within ten (10) business days after the deadline for filing qualifying petitions to review the petitions and accompanying documents to determine if a member is a qualified candidate for a director. The Committee shall immediately thereafter notify in writing each and every member who filed a petition of its findings and shall certify to the secretary of the cooperative those members who qualify as candidates for director. In the exercise of its responsibility, the Committee shall have available to it the advice of counsel provided by the cooperative.

Any protest or objection by a qualified candidate to an election must be filed within three (3) business days following an election. The committee shall thereupon be reconvened, upon notice from its chairman, not less than fifteen (15) business days after such protest or objection is filed. The committee shall hear such evidence as it is presented by the protestors or objectors, who may be heard in person, by counsel, or both, and any opposing evidence; and the Committee, by a vote of a majority of those present and voting, shall immediately after such hearing, render its decision. The Committee may not act on any matter unless a majority of the Committee is present. The Committee's decision on all matters covered by this Section shall be final, subject only to contrary holding by a court, and the report of certificate of its decision shall constitute prima facie evidence of the facts therein.

SECTION 4.05. Notice of District Election. The Secretary or his designee shall give written notice of the place, the date and hour of the district election and of the name(s) of the qualified candidates to be voted upon for directors thereat. Such notice shall be by mail with postage there-on prepaid to all members at the billing address reflected on the cooperative's records, by publication in the newspapers of general circulation in the cooperative area, by publication in the

Tennessee Magazine or by notice included with bill, to the members eligible to vote at such election. If a member is served by the cooperative at two (2) or more premises located in two (2) or more directorate districts, he shall be entitled to vote only in his residential district.

Each district election voting shall be held at one or more reasonably central locations within the district and at the central office. In those instances where a reasonable location within the District cannot be established and an alternative site reasonably convenient to all District Members can be established outside the District, that site will be permitted. Notice of the district elections shall be given not less than five (5) days nor more than thirty (30) before the date of the elections.

On the date of the election, the polls shall open at the hour specified in the notice. Voting shall be by written ballot or by voting machines or cards.

Voting by members other than members who are natural persons shall be allowed upon the presentation to the Cooperative of satisfactory evidence entitling the person presenting the same to vote. All district director elections shall be decided by a majority of the members voting thereon, except as otherwise provided by law or by the Cooperative's Articles of Incorporation or these Bylaws. Members may not cumulate their votes or vote by proxy or mail. Where no candidate receives a majority of votes a runoff election shall be held between the two candidates receiving the most votes.

SECTION 4.07. Contested Elections. A qualified candidate seeking election as a director may file a protest or objection within three (3) business days following a director election. Upon receiving such notice the Credential Committee shall schedule a hearing not more than fifteen (15) days after receiving a protest or objection to hear *such evidence as it is* presented by the protestors or objectors, who may be heard in person, by counsel, or both, and any opposing evidence; and the Committee, by a vote of a majority of those present and voting, shall immediately after such hearing, render its decision. The

Committee's decision on all matters covered by this Section shall be final, subject only to contrary holding by a court, and the report of certificate of its decision shall constitute prima facie evidence of the facts therein.

SECTION 4.08. **Uncontested Elections.** Where only one candidate has been qualified in each district, there being no necessity to open the polls, the nominating petition shall constitute a written ballot, waiver of the necessity of holding an election and consent that each member's signature shall constitute a vote for the candidate. No further action shall be necessary for the election of the qualified candidate, who shall thereby be elected a director.

SECTION 4.09. **Announcement of Results.** At the following annual meeting of members, the Secretary shall announce to the members the names of the incumbent directors and the district which each director represents, and likewise, shall announce the names of the directors elect and the districts they shall represent.

directors, serve until the district election of the year in which their terms expire or until their successors shall have been qualified and elected. All aforementioned district elections are as described in these Bylaws.

SECTION 4.11. **Directorate Districts.** The territory served by the Cooperative shall be divided into Ten Directorate Districts. A map delineating the boundaries of the districts will be posted at the general office of the Cooperative. Notwithstanding the foregoing Directorate Districts descriptions, every year the Board of Directors, not less than ninety (90) days prior to the earliest date on which the annual member meeting may be scheduled by these Bylaws to be held, shall review the Districts and Directorships. If the Board determines that, having an equitable regard for the number of members served therein, as well as other communities of interest and boundaries that are readily ascertainable, that the boundaries or number of Districts should be altered or that the number of directors should be increased or reduced, the Board shall amend these Bylaws accordingly and may, after such amendments become effective, appoint additional directors provided for by such amendments, and may fix their respective initial terms, not to exceed **five** years.

The Board of Directors shall cause all such amendments and the names and initial terms of any such newly appointed additional director to be noticed in writing to the members within a reasonable time delivered in the manner as set forth within these By-Laws.

At the following annual meeting of members, the Secretary shall announce to the members the names of the newly appointed directors and the district which each represents.

SECTION 4.12. **Removal of Directors by Members.** Any member may bring one or more charges against any one or more directors, alleging acts or omissions adversely affecting the business and affairs of the Cooperative and amounting to actionable negligence, malfeasance, misfeasance, nonfeasance, fraud or criminal conduct, and may request the removal of such director(s) by reason thereof by filing with the Secretary such charge(s) in writing together with a petition, signed by not less than ten(10%)percent of the total membership of the Cooperative, which calls for a special member meeting thereon and specifies the place, time and date thereof not less than forty(40) nor more than forty-five(45) days after the filing of such petition, or which requests that the matter be acted upon at the subsequent annual member meeting if such meeting will be held no sooner than forty(40) nor more than ninety (90)days after the filing of such petition. Each page

of the petition shall, in the forepart thereof, state the name(s) and address(es) of the member(s) filing such charge(s), a verbatim statement of such charge(s) and the name(s) of the director(s) against whom such charge(s) is(are) being made. The petition shall be signed by each member in the same name as he is billed by the Cooperative and shall state the signatory's address as the same appears on such billings. Notice of such charge(s) verbatim, of the director(s) against whom the charge(s) have been made and of the member(s) filing the charge(s) shall be contained in the notice of the meeting or separately noticed to the member not less than five(5)days prior to the member meeting at which the matter will be acted upon; PROVIDED, the notice shall set forth (by random selection but otherwise in alphabetical order) only twenty(20) of the names and addresses of the charging members if twenty(20) or more members file the same charge(s) against the same director(s). The question of the removal of such director(s) shall, separately for each if more than one has been charged, be considered and voted upon at such meeting, and any vacancy created by such vacancy created by such removal shall be filled by vote of the members at such meeting without compliance with the foregoing provisions with respect to nominations, except that nominations shall be made from the floor; PROVIDED, the question of the removal of a director shall not be voted upon at all unless some evidence in support of the charge(s) against him shall have been presented during the meeting through oral statements, documents, or otherwise; AND PROVIDED FURTHER, no director shall be so removable from office for the reason that he, in good faith and believing such to be in the best interests of the Cooperative and of its present and future members, failed or declined to support, or that he opposed, (1) a proposal to sell or lease-sell all or a substantial portion of the Cooperative's assets and properties or to dissolve the Cooperative, or (2) a motion to notify the Cooperative's members of a proposal received by the Cooperative for such a sale, lease-sale or dissolution, or (3) a motion or any other effort to call a meeting of the Cooperative's members to consider and act upon a proposal for such a sale, lease-sale or dissolution. A newly elected director shall be from or with respect to the same Directorate District as was the director whose office he succeeds and shall serve out the unexpired portion of the removed director's term.

SECTION 4.13. **Vacancies.** Subject to the provisions of these Bylaws with respect to the filling of vacancies caused by the removal of

A director thus elected shall be from or with respect to the same Directorate District as was the director whose office was vacated and shall serve out that director's unexpired term or until a successor is elected and qualified.

SECTION 4.14. **Compensation and Expenses.** Directors shall, as determined by resolution of the Board of Directors, receive on a per diem basis a fixed fee for attending meetings of the Board of Directors and, when approved by the Board of Directors, for otherwise performing their duties. The fee or fees fixed for otherwise performing their duties need not be the same as the fee fixed for attending meetings of the Board of Directors. Directors shall also receive advancement or reimbursement of any travel and out-of-pocket expenses actually, necessarily and reasonably incurred, in performing their duties. No close relative of a director shall be employed by the Cooperative and no director shall receive compensation for serving the Cooperative in any other capacity, unless the employment of such relative or the service of such director is temporary and shall be specifically authorized by a vote of the Board of Directors or the members upon a determination that such was an emergency measure; PROVIDED, a director who is also an officer of the Board, and who as such officer performs regular or periodic duties of a substantial nature for the Cooperative in its fiscal affairs, may be compensated in such amount as shall be fixed and authorized in advance of such service by the unanimous vote of the remaining directors; AND PROVIDED FURTHER, an employee shall not lose eligibility to continue in the employment of the Cooperative if he becomes a close relative of a director because of a marriage to which he was not a party.

SECTION 4.15. **Rules, Regulations, Rate Schedules and Contracts.** The Board of Directors shall have the power to make, adopt, amend, abolish and promulgate such rules, regulations, rate classifications, rate schedules, contracts, security deposits and any other type of deposits, payments or charges, including contributions in aid of construction, not inconsistent with law or the Cooperative's Articles of Incorporation or Bylaws, as it may deem advisable for the management, administration and regulation of the business and affairs of the Cooperative.

The Board of Directors shall also be empowered, on behalf of and for circulation to the members periodically, to subscribe to the statewide publication, or a successor such publication, the cost of which shall be deducted from any funds accruing in favor of such members, so as to reduce such funds in the same manner as would any other expense of the Cooperative.
